Sir

Sub: Indian Central Sugarcane Committee -
sugarcane development scheme - Liaison
farm - lease of lands - regarding

Ref: 1. G.O. No.73 (P&D) Dev Dept d/5-1-49
2. G.O. Ms.No.1002 Dev. Dept d/11-3-52

In the G.O. first cited, Government have sanctioned the sugarcane development scheme upto 31-3-1953. Among other items Government have also sanctioned a sum of Rs.1,68,000/- towards the lease of lands for the four liaison farms at Rs.300 per acre per year at 20 acres each per farm per year.

In respect of the liaison farm at Hospet, the Hospet Factory has been arranging to obtain the lands and place them at the disposal of the Superintendent, Sugarcane Liaison Farm, Hospet, for the purpose. They have been charging so far only Rs.300 per acre per annum, the rate fixed by Government. The factory was paying in terms of cane to the owner of the lands.

In this connection, it is submitted that the lease value in this area has been steadily rising higher and higher and it was found very difficult to obtain lands at reasonable rent. As such Government in their order second cited ordered for the compulsory lease of lands. Out of the lands requisitioned only 9.77 acres which were vacant were taken possession of and the rest could not be taken then, as they had been already planted. To make up the 20 acres extent, lands were obtained from other source and in all 19.86 acres of land were obtained.

The value of the compensation fixed by the Revenue Department to be paid to the owners was at the rate of Rs.500 per acre. Since the factory has been paying towards the lease amount and placing the lands at the disposal of this Department at the rate of Rs.300 per acre per annum previously, it has now represented that it may be paid at Rs.500 per acre per annum for the lands taken for 1952-53 season. As only 9.77 acres were taken at the rate of Rs.500 per acre per annum fixed by the Revenue Department and the rest from other source by the payment of lease in terms of cane, I suggest that the factory may be paid at the rate of Rs.400 per acre per annum.

I, therefore, request that Government may be pleased to sanction the payment of Rs.400 per acre per year for 19.86 acres towards the rent of the lease of lands taken for the liaison farm, Hospet for the season 1952-53.

I request early orders.

Roc.No.D1/1439/52 dated 18th March 1953.

Sir,

Sub: INDIAN CENTRAL SUGARCANE COMMITTEE - Sugarcane Liaison
Farm, Hospet - Lease of land - payment of lease amount at
increased rate -

Ref: Govt. Memo No.9858 P & D.I/53-3 d/11-3-1953.

I submit that the Superintendent, Sugarcane Liaison Farm,
Hospet, has reported that though an extent of 9.77 acres was taken
possession of under compulsory lease, an area of 0.23 acres in
Naganhalli, which was contiguous with S.No.314-A was also taken up
by the consent of the parties, as this small area could not be
separated from the plot on the same lease terms fixed by the
Revenue Department. About 3.00 acres of land round about the area
in Madhapur had also been taken up at the same rate.

The Sugarcane Specialist, Anakapalle, has reported that the
payment of the lease amount at the enhanced rate can be met from
within the ~~plot~~ allotted for the Sugarcane Development.

In the circumstances, I request the Government may be
pleased to sanction the payment of increased rate, requested for.
